how do I
Get Web-Enabled

To gain access to our secure server on Patient Portal and become web-enabled, simply sign up by providing us with a personal (non-work) e-mail address.

You will be able to securely log in with your username and password, and gain access to your personal health record and other helpful features from any computer or smart-phone with an Internet connection!

The Patient Portal is not intended for use in emergencies, if you require urgent or immediate care, call 911

Patient Portal:

- The Patient Portal gives you 24x7 access to your medical information from the comfort and privacy of your own home or office.
- The Patient Portal can be accessed directly at: https://mycw20.eclinicalweb.com/portal1526/jsp/100mp/login.jsp or through the Patient Portal link located directly on the homepage of the AAPRI website: http://www.aapri.net/
- Sign in with the User Name and Password provided through e-mail from AAPRI once the registration process is complete. When you sign in for the first time you will be required to change your password.
- Already a patient of AAPRI looking to access the Patient Portal? Forgot your login information? Contact us directly at 401-751-1235 and we can set you up or reset your login information for you.

*Dashboard Options***:**

- ***Subscribe for Notification*** – Subscribing your e-mail address allows you to be notified when your physician sends messages, lab results or appointment reminders.
- Personal Health Records can be requested by clicking on ***Request PHR*** on the right side.
- View medical record information, allergies, medication lists, lab results and more through the ***Medical Records*** tab.
- View and/or change personal information under the ***My Account*** tab.
- Compose and view messages from your physicians and providers, place refill and lab requests under the ***Messages*** tab.
- Check upcoming appointments and appointment history under the ***Appointments*** tab.
